Was ist eine Affiliation in ORCID?

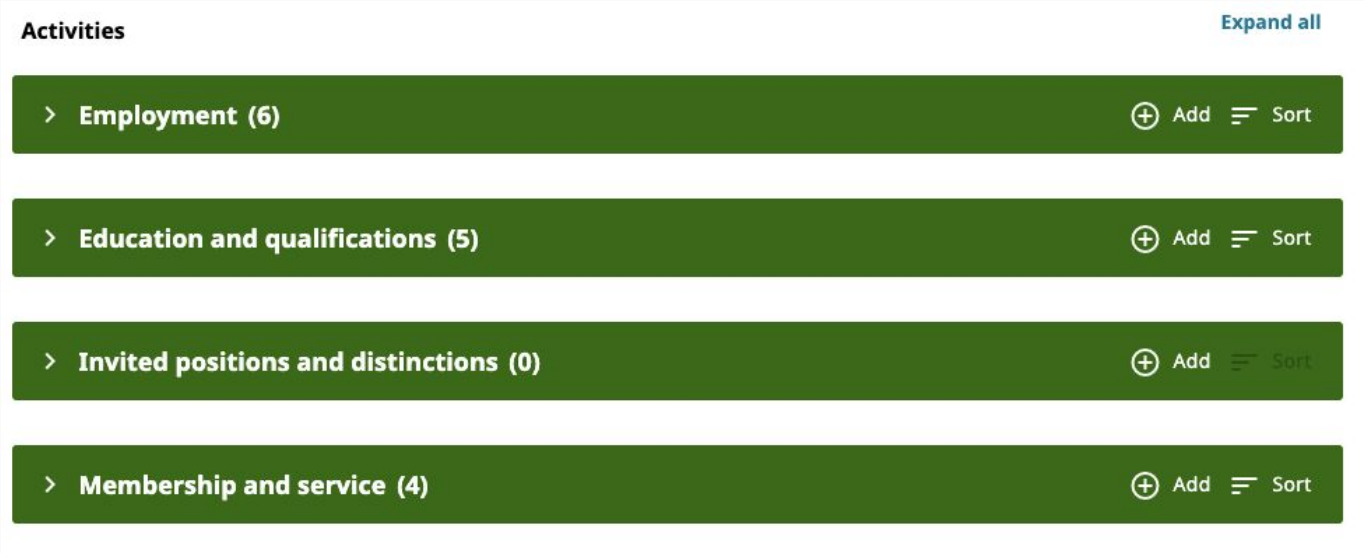
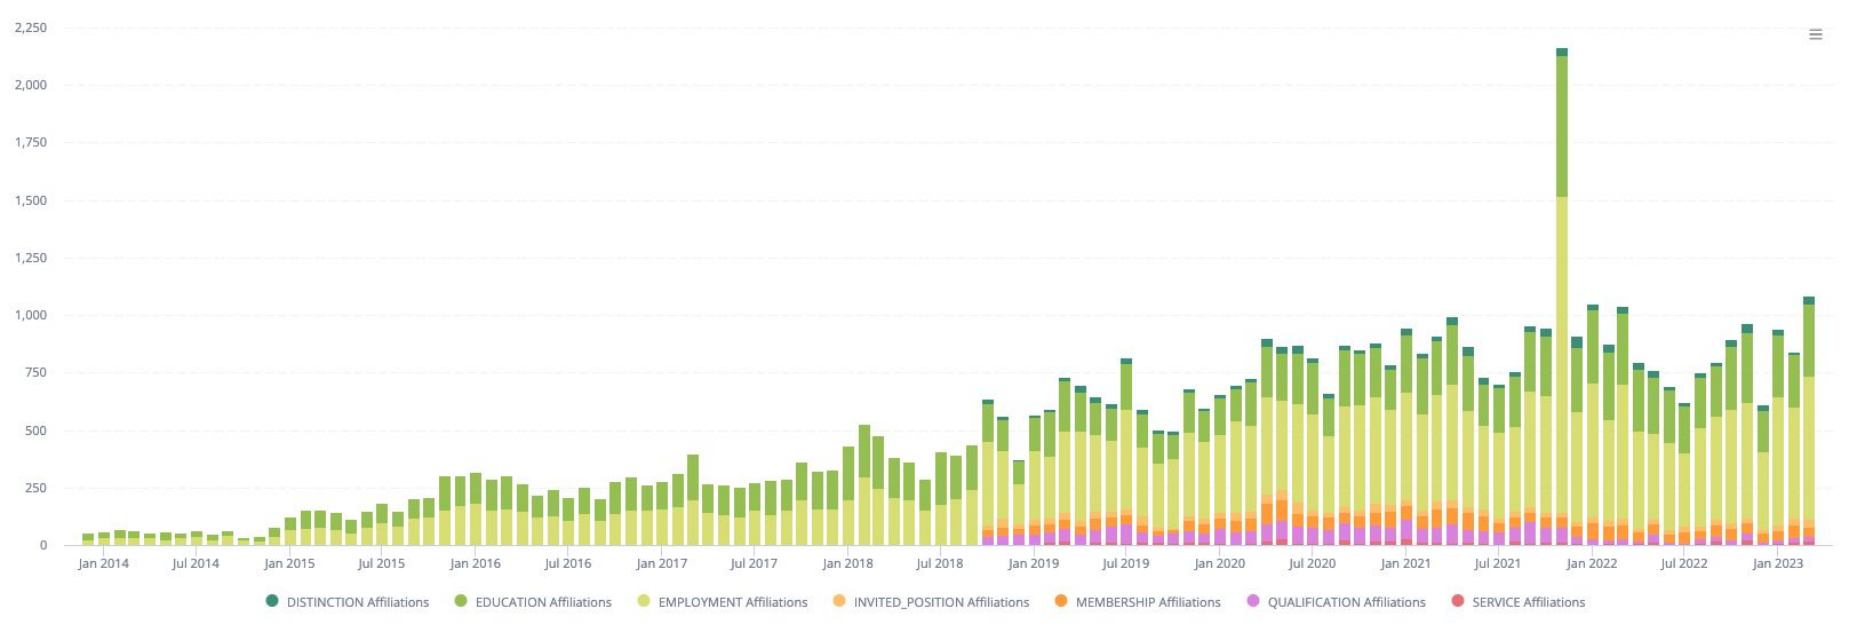
Affiliations in ORCID (jenseits von Beschäftigungsdaten)

Eine Affiliation ist eine Beziehung zwischen einer Person und einer Organisation, die beide verbindet.

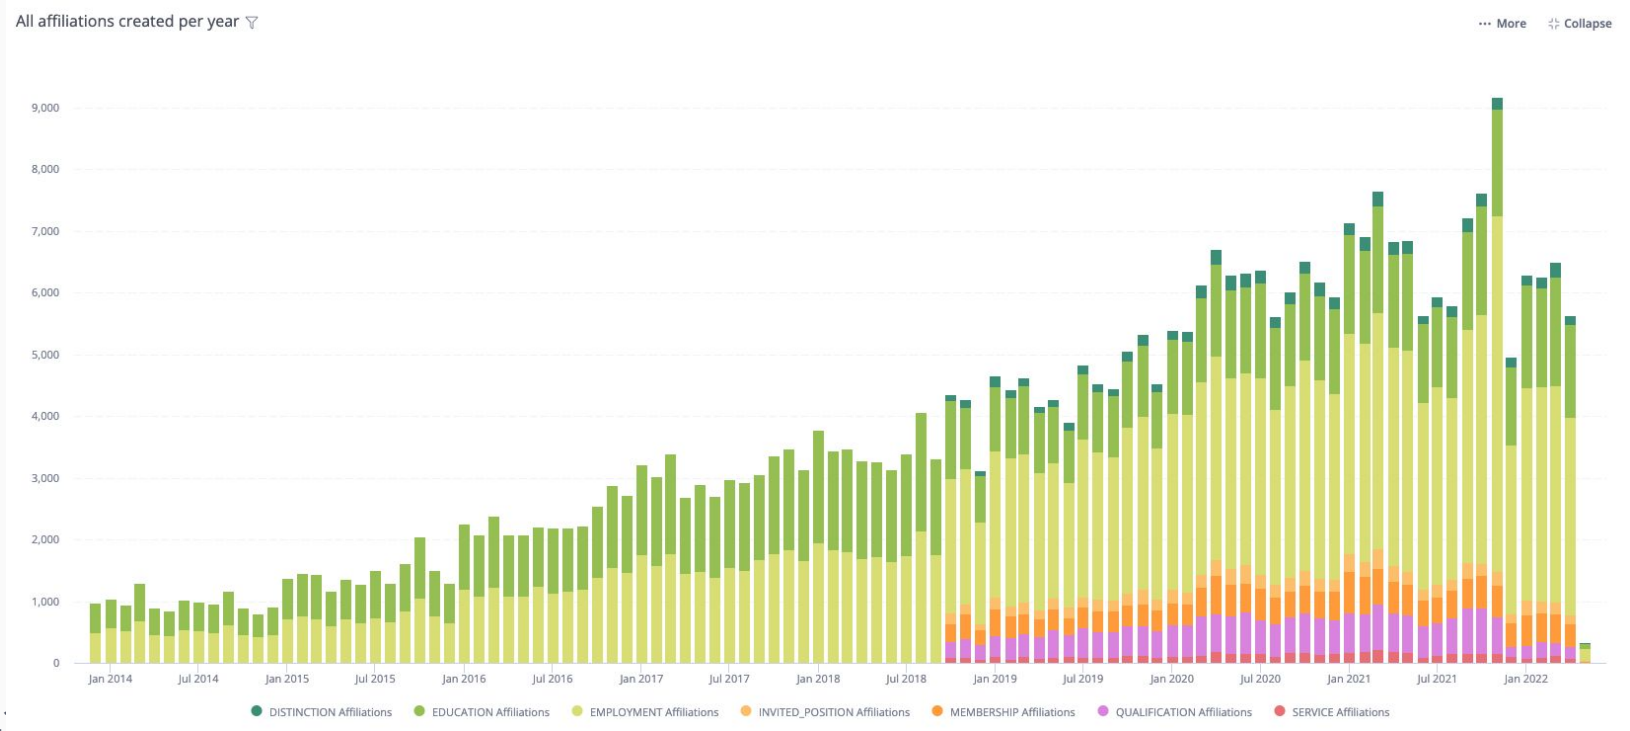


AT - Affiliations auf dem ORCID-Record



84078 in Österreich – 26788 ohne Identifikator

DE - Affiliations auf dem ORCID-Record



434 in Deutschland – 105902 ohne Identifikator

oaswitchboard

- ORCID wurde in OA Switchboard "Smart-matching-Prozesse integriert
- Daten in der “Affiliation Section” werden geprüft
- Kein Enddatum = Aktuelle Zugehörigkeit
- OA und OA-Prozesse sind ein weiterer Grund für das Hinzufügen und Beibehalten von Affiliations

Was ist der Affiliation Manager und wie kann man ihn nutzen?

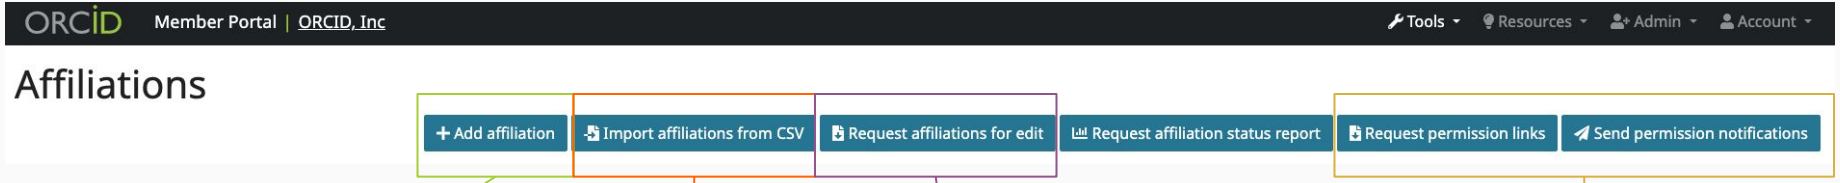
Das Tool bietet verschiedene Optionen



1 zu 1 manuelle Eingabe/Bearbeitung der Daten

Datenimport via CSV

Bearbeitung via CSV

Zwei Optionen zum Senden der Permissions-Links:

- Die Einrichtung schickt sie
- ORCID schickt sie (2 Erinnerungen)

Einrichtungen können Affiliations 1 zu 1 hinzufügen

Die unterschiedlichen "Status" und was sie uns sagen

Status	Description
Pending	The user has not taken any action (ie: they have not clicked the permission link)
In ORCID	The user has granted permission, and the affiliation item has been successfully added to their ORCID record.
Pending retry in ORCID	The user has granted permission but the affiliation has not yet been added or updated to their ORCID record. This status will be seen for a short while when an error occurred that had been manually fixed.
Pending update in ORCID	This status will be seen for a short while after the affiliation has been edited pending an update on the users ORCID record.
User denied access	The user clicked the permission link, but chose not to grant permission to update their ORCID record. The affiliation item was not added to the user's ORCID record.
Error adding to ORCID	A system error occurred either during the process of granting permission or updating the user's ORCID record. Raw output of the error message will also be displayed; you can send this to ORCID support for help troubleshooting.
Error updating in ORCID	A system error occurred during the process of updating the affiliation in ORCID. Raw output of the error message will also be displayed; you can send this to ORCID support for help troubleshooting.
Error updating in ORCID	A system error occurred during the process of updating the affiliation in ORCID. Raw output of the error message will also be displayed; you can send this to ORCID support for help troubleshooting.
Error deleting in ORCID	There has been an error deleting the affiliation on the users ORCID record. Please contact membership@orcid.org for assistance
User deleted from ORCID	The user has deleted the affiliation from their record. You cannot perform any edits. If you would like to add the affiliation again a new affiliation will have to be added in the portal
User revoked permission	The user has removed your organization from their Trusted Organizations lists, therefore you no longer have permission to update their record. You can request permission again by using the copy to clipboard link functionality
Notification Requested	This is a temporary status for affiliations that have been selected for the notification process
Notification Sent	The user has received a notification from ORCID via their ORCID inbox or email address used when uploading the affiliation
Notification Failure	The notification process has failed. Please contact membership@orcid.org for assistance
