American Heart Association.

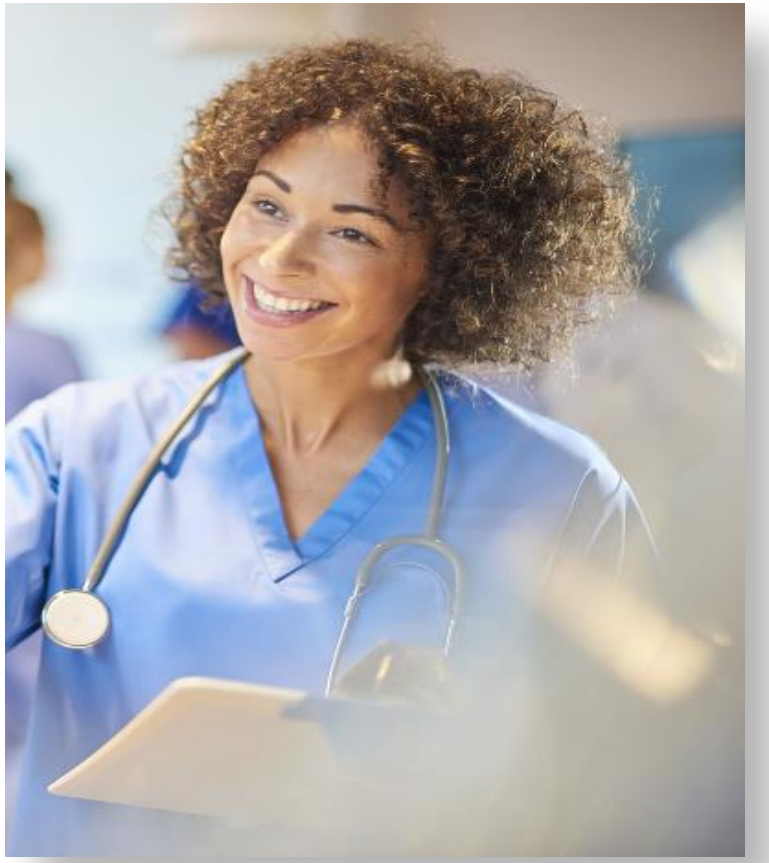
ORCID ProposalCentral AHA

Belinda Orland, National Senior Director, Research Operations
American Heart Association

February 21, 2023

American Heart Association.

American Heart Association Research



- *$5* billion since 1949
- 1,440 active awards
- $462 million committed
- 1,800 volunteers reviewed
- 3k proposals in 2021-22

American Heart Association.

ProposalCentral implemented in June 2020

- One of the Key Advantages: ORCID integration

- AHA began requiring an ORCID for all applications

AHA , ProposalCentral, and ORCiD

June 2020

PC Implemented

July 2021 began pushing award info to ORCiD

June 2022 began pushing peer review data to ORCid

AHA hopes to track awardees over their careers

American Heart Association.

Thank You.
