PEP-CV

Reshaping Research Culture and Revolutionising CVs through Peer Exchange

What is PEP-CV?

A *global* *peer-mentoring initiative* supporting researchers to craft and strengthen their **narrative CVs** through **peer exchange, reflection, and feedback**.

Who it's for:

- Researchers at **all career stages**, worldwide.

Why it matters:

- **Recognition beyond metrics** – valuing diverse contributions to research, mentoring, and society.
- **Confidence, community, and capacity** to present holistic researcher profiles.
- **Inclusive, open, and sustainable research cultures**.

Our Values

What is a Narrative CV?

Structured CV format

Written descriptions instead of lists

Allows broader range of experiences, achievements, and output

Often supplementary to a proposal -> PROVIDES CONTEXT!

Narrative CV: The power of storytelling

Empowerment through Storytelling

Narrative approaches **empower individuals** to **articulate** their **experiences**, **fostering a sense of agency and identity**. (Science Direct)

Enhancing Career Planning

Incorporating narratives into career planning allows a **personalised approach**, where individuals co-author their career stories. This method acknowledges both **subjective experiences and objective data**, leading to **meaningful career development strategies**. (Springer Nature)

Personal Growth and Well-being

The narratives individuals construct about their careers **influence their actions, behaviours, and overall well-being**. **Recognising and reshaping these stories** leads to **improved growth and personal wellbeing**. (The World of Work Project)

MCAA & The Power of Narrative CVs: Our Journey with PEP-CV

Marie Curie Alumni Association (MCAA)

Mostafa Moonir Shawrav

29 October 2025

Why MCAA Joined PEP-CV

Challenges	MCAAs solution: Joining PEP-CV
Limitations of the Traditional CV	Recognising the bibliometric CV fails to capture the full breadth of skills, leadership, and non-academic contributions.
Researcher Empowerment	To provide MCAA members with a forward-thinking tool for preparing for the future of grant and job applications.
Driving Culture Change	Committing to fostering a more equitable and holistic research assessment culture, aligning with DORA and CoARA principles.
The Need for Peer Support	Acknowledging that writing a narrative CV requires a new skillset and dedicated, structured support.

For MCAA, joining PEP-CV means contributing to a **culture shift** in how research careers are supported and valued

Empowering MCAA Researchers: The PEP-CV Advantage

Structured Mentorship: Access to a global, trained network of peers and mentors for narrative CV support.

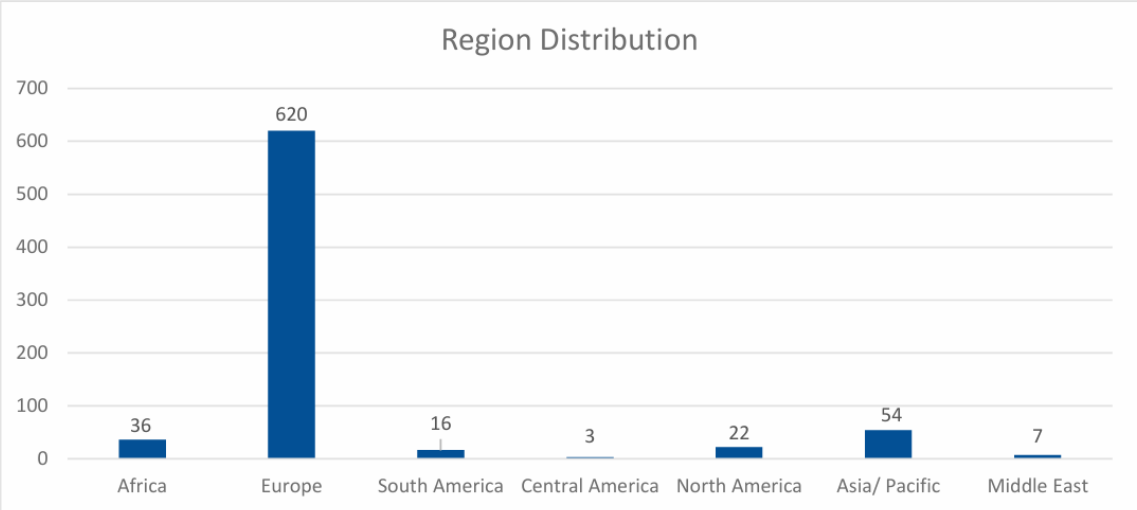
Skill Articulation: Helps members translate diverse experiences into narrative formats, ensuring all impact is recognised.

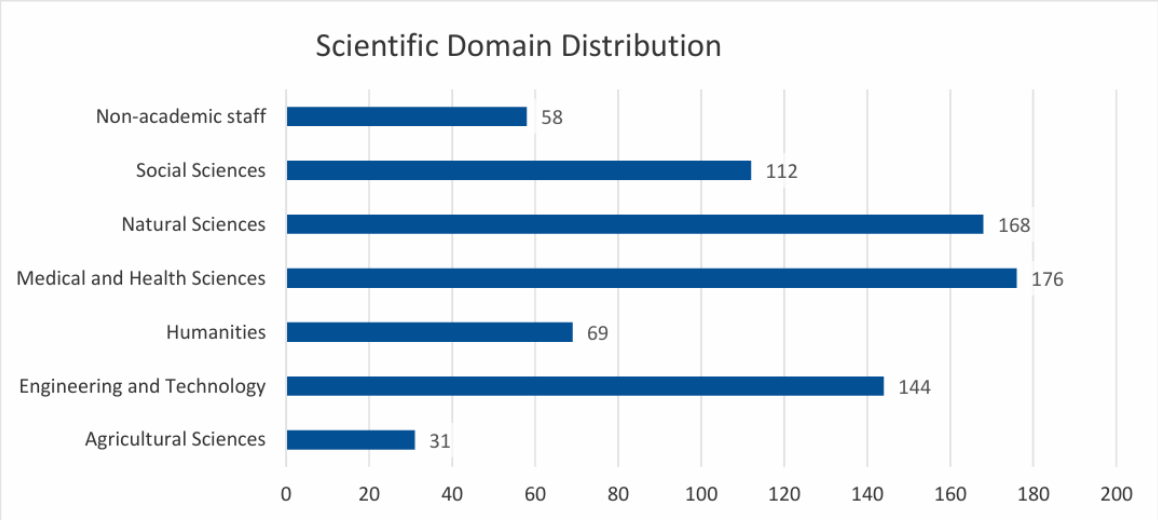
Peer-to-Peer Learning: A non-hierarchical, safe space for exchanging drafts and receiving constructive feedback on CVs.

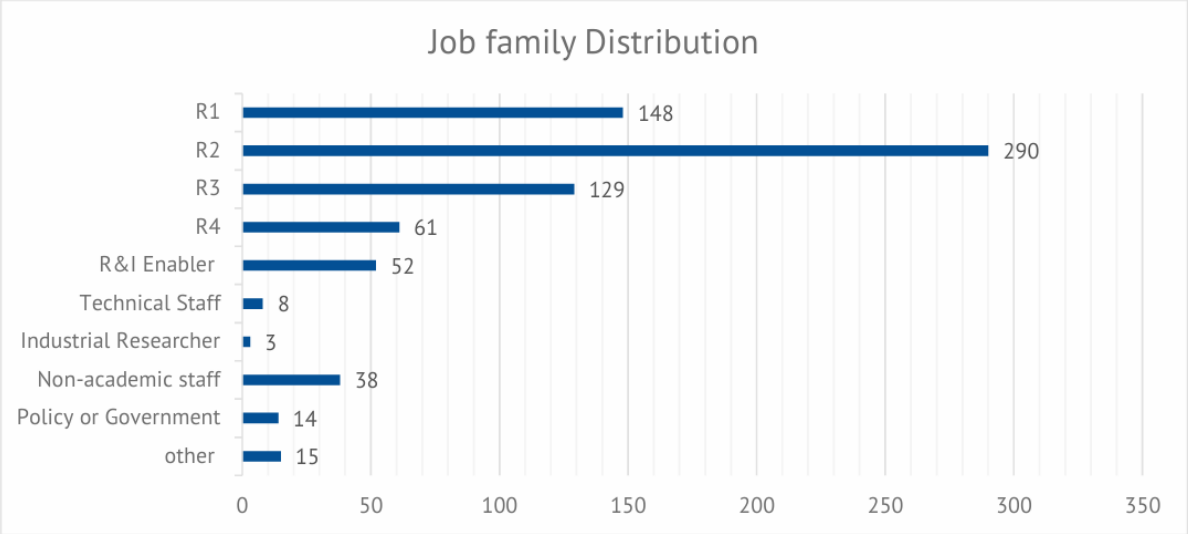
Future-Proofing Careers: Equips members with the expertise required to thrive in the new landscape of Responsible Research Assessment.

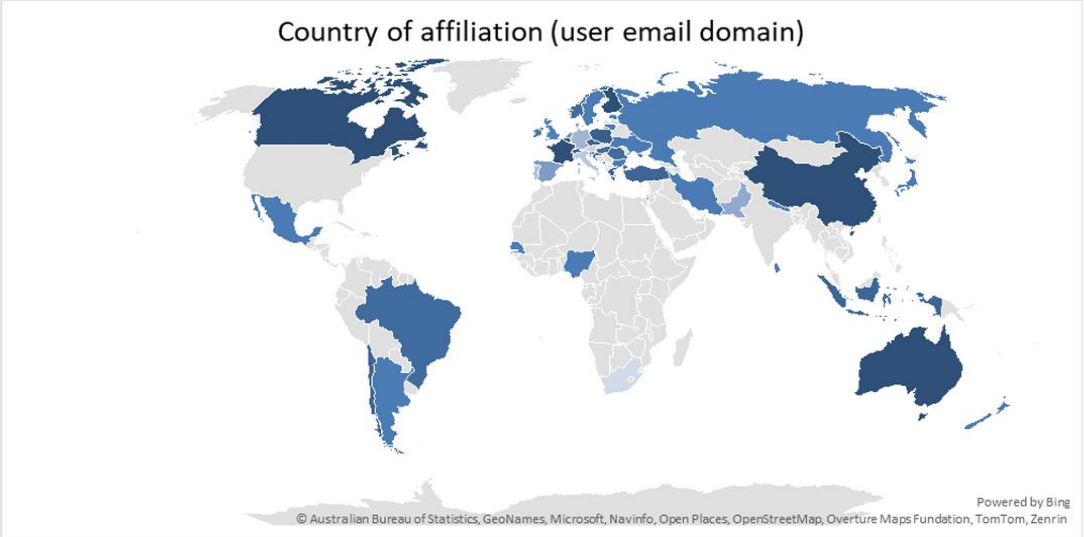
Direct ORCID Integration: Streamlines the process by leveraging ORCID profiles, connecting verified achievements to the narrative CV structure.

User Statistics from PEP-CV Platform









Impact & Achievements: A Growing Global Community

Advocacy & Promotion: Actively championing the PEP-CV platform and the shift to narrative assessment methods.

- Advocacy efforts on Research Assessment
- Involvement with international organisations
- Promotion through CoARA WG & similar minded organisations

Community Mobilisation: Facilitating the registration of a diverse pool of members as users, mentors, and mentees.

- 750+ Researchers from 6 Continents
- 254 Mentors
- 569 Mentees
- 110+ active mentorships

Feedback Loop: Providing critical, user-focused feedback

- Feedback from the direct users
- Part of the MCAA Survey on Research Assessment

Future Commitment & Outlook

Topic	Plan
Scale Up	Increasing the capacity of the MCAA-affiliated mentorship pool and expanding the user base.
Integration	Deepening PEP-CV methodology integration into MCAA's professional development workshops and training programmes.
Global Advocacy	Continuing to champion the narrative CV as a key mechanism for Responsible Research Assessment globally, closely following CoARA implementation.
ORCID Enhancement	Promoting the consistent use and enrichment of ORCID profiles to facilitate narrative CV preparation.

Mentorship: the essential ingredient for a fruitful and healthy research career

Cambridge Dictionary

mentorship

noun [U or C]

UK /ˈmen.tɔː.ʃɪp/ US /ˈmen.tɚ.ʃɪp/

Add to word list

the activity of giving a younger or less experienced person help and advice over a period of time, especially at work or school:

- *The organization provides mentorship and support for psychology trainees.*
- *These mentorships have been crucial to the success of the company.*

Mentorship characteristics:

- Mentorship activities take time
- Good quality mentorship skills are not recognized: 'invisible' skills
- It can be formal or informal
- Two-way relationship: it needs a match!
- Benefits for both mentor and mentee wellbeing

We're thrilled to welcome you to **PEP-CV!** 🎉

At PEP-CV, we believe that every individual has a unique story to tell. Traditional CVs often limit our potential by focusing solely on qualifications and work experience. But what about the journey, the challenges, the growth, and the personal experiences that shaped who you are today? That's where a narrative CV comes into play. The goal of PEP-CV is to become a platform for everyone active in the research and innovation sector to engage in simple peer mentoring exchanges around the diverse range of experiences, achievements, and career paths found in narrative-style CVs.

Why Choose a Narrative CV?

- 📖 **Tell Your Story:** Go beyond bullet points and showcase the journey that led you to where you are.
- 🌟 **Stand Out:** In a sea of traditional CVs, a narrative CV can capture the attention of evaluators and hiring managers.
- 🤝 **Community Support:** Our platform is built on the principle of collaboration. Get feedback, insights, and suggestions from a community that understands the value of diverse experiences and achievements.

Getting Started:

1. **Profile Setup:** Begin by setting up your profile. Add a brief bio, and any essential details to find and be found by others.
2. **Draft Your Narrative:** Start writing your narrative CV. Don't worry about getting it perfect on the first go; our community is here to help!
3. **Find a mentor:** Discover others who share your experiences, and get their help in writing it clearly to demonstrate what you've done.
4. **Find a mentee:** Be open to the invitations you receive, and give guidance to help others on their career journey.

Exclusive Features:

- **Training videos:** Watch our exclusive videos on a variety of topics, such as narrative CV basics and peer mentoring.
- **Knowledge hub:** Learn about the how narrative CVs are being used around the world, and how they are evaluated.

Connect with the Community: Join our community, participate in mentorships, share your experiences, and learn from others. Remember, at PEP-CV, you're never alone on your journey!

Need Help? Our community manager is always here to assist you. If you have questions about the platform, don't hesitate to reach out.

What is ORCID and what is it good for ?

ORCID provides a unique and persistent identifier that distinguishes researchers, ensuring proper attribution of their work while integrating seamlessly with publishers, funders, and institutions. It enhances research visibility, simplifies manuscript submissions and grant applications, and maintains a lifelong academic record independent of institutional changes. By reducing ambiguity in authorship and supporting open science, ORCID streamlines scholarly communication and increases the discoverability of research.
